

## KWAN YIN VIOLET LIGHT HEALING

This beautiful one day course will attune you to the VIOLET HEALING LIGHT of the GODDESS KWAN YIN. Known as the Chinese Buddhist Goddess of Mercy, Compassion & Healing, Kwan Yin is very much revered throughout Asia.

Includes energy attunements/Initiations to her powerful healing energy, prayers, Invocations & meditations to make Kwan Yin & her amazing powers part of your life.

This course will activate your Lotus Heart of Compassion, clear Karma & assist you on your path to ascension & enlightenment.

A practical course too as your self healing ability will greatly increase & the healing energy from your hands & heart will be magnified by 100% This is wonderful for all healers of other traditions as well. Does not require interaction with other students—it's designed as A DAY JUST FOR YOU & YOUR OWN SELF HEALING.

Elisabeth will trance channel Kwan Yin & offer all participants the chance to ask questions DIRECT to Kwan Yin in regard to general concerns or personal healing issues.

Elisabeth has frequented Kwan Yin Temples in Singapore & Hong Kong & had a close connection with this powerful Goddess for many years. This course is suitable for all & there are no prior prerequisite courses needed to attend.

Discover how you can change this simply by understanding the process plus Isis Karmic Release . Soul Mates don't need to be in your life simply to cause you more pain & suffering—learn to identify & release people you don't need to learn hard lessons from anymore!

The Archangel Haniel & Goddess Hathor love to assist you also to manifest a Star Soul Mate—that is a person you are truly meant to be with who can provide you with Joy & Fulfilment in Life.

This one day event is ideal for all people aged 18 years or more. Includes meditations to activate specific chakras so you MAGNETICALLY DRAW the partner of your Dreams to you!

Elisabeth will also give all participants a powerful Energy Clearing & Attunement to Hathor & Haniel so they will both be there at all times in the future for YOU!
